Solar Technician

Let's keep it simple. This work offer is for

Pedro Benavides

Description |

Sprightful is on a mission to make solar accessible to everyone. We believe everyone can benefit from solar energy, and that by bringing more people on board the renewable energy revolution we'll help create the momentum needed to avoid a global climate crisis. Pedro is tasked with aiding with the installation and maintenance of Sprightful's solar projects.

Compensation |

Compensation: \$40,000/year salary

1 year bonus: \$40,000 (Activates after 1 year of continuous employment at Sprightful)
